### History

Since the earliest years of the University's history, music and the dramatic arts have been a vital part of campus life. The college Glee Club sang at commencements, and seniors and dramatic arts students performed in campus productions during the school year. The Masquers Club, organized in 1933, invited all students to be a part of their dramatic productions. Within five years, the popularity of The Masquers Club increased to such a degree that their productions were limited to drama students only. Throughout the state, Howard College dramatic productions were well recognized, and that recognition continues to the present.

In 1948, the Board of Trustees unanimously approved the establishment of the Department of Music to offer the Bachelor of Music degree. Prior to that time, music was taught on campus by professional musicians from a local music school through a cooperative agreement, but a bachelor's degree was not offered. By 1952, the music curriculum was so successful that more teaching space was required to accommodate the demand for music courses. In 1970, the Department was elevated to School status.

In 2001, dramatic arts, known as the Theatre Department, moved to the School of Music, and the school was renamed the School of Performing Arts with a Division of Music and a Department of Theatre. A new major, Musical Theatre, was introduced, both in the Division of Music and the Department of Theatre.

### Mission

The mission of the Division of Music at Samford University is to nurture persons by developing musical skills, knowledge, and understanding appropriate to their vocational objectives and personal needs, within the framework of curricula and extra-curricular activities provided at this institution, and to contribute to the fulfillment of the broader mission of the University.

### General Information

Music study at Samford University is essentially a threefold program, including training in basic musicianship, training in specialized professional areas, and studies in the liberal arts. The core of the program is musicianship-continuous study in music performance, including solo and ensemble experiences, along with extensive work in music theory. In specialized areas, such as teacher training, composition, and church music, requirements include training and experiences in the special skills and knowledge appropriate to the respective degree program to equip the graduate to function effectively on the professional level. The liberal arts requirements contribute to the breadth of knowledge appropriate for the professional musician.

The Division of Music of the School of Performing Arts is an accredited institutional member of the National Association of Schools of Music, and the teacher education program is accredited by the Alabama State Department of Education. In addition to the academic program, a wide variety of ensembles offer to both music majors and non-music majors opportunities for meaningful experiences in music making. University ensembles include A Cappella Choir, Band, OperaWorks, University Chorale, Orchestra, Musical Theatre Ensemble, and numerous chamber ensembles.

### Majors

The Division of Music of the School of Performing Arts offers programs which meet the requirements for the Bachelor of Arts in Music; the Bachelor of Science in Music; the Bachelor of Music, with majors in church music, music education, musical theatre, performance (instrumental music, organ, piano, voice), and theory/composition; the Master of Music in Church Music; and the Master of Music Education degrees.

The **Bachelor of Arts in Music** degree is designed for students desiring to major in music within the framework of a liberal arts degree. This degree is intend-

ed to serve the needs of undergraduate students who are interested in a broad program of general studies and wish also to develop their musical skills and knowledge.

The **Bachelor of Science in Music** degree is designed for students who would like to combine premedical studies with concentrated studies in music.

The **Bachelor of Music in Church Music** degree is designed for students committed to vocational ministry as a church musician. The program includes study as performer, conductor, and minister.

The **Bachelor of Music in Music Education** degree is designed for students who wish to prepare for a career as a music educator at either the elementary or secondary level. Practical experiences in teaching music are provided in the greater Birmingham area.

The **Bachelor of Music in Musical Theatre** degree is designed for students who wish to pursue a career in musical theatre. This restricted enrollment degree will provide inter-related educational experiences in music, theatre, and dance appropriate to this vocational objective.

The **Bachelor of Music in Performance** degrees (piano, organ, instrumental music, and voice) are designed for students highly motivated toward excellence in performance. The student combines studies in basic musicianship and music history with concentrated emphasis in the major performance area.

The **Bachelor of Music in Piano Performance, with Emphasis in Piano Pedagogy**, is designed for piano majors who have a strong interest in teaching as well as performance.

The **Bachelor of Music in Theory/Composition** degree is designed for students pursuing a career in the field of music theory and/or composition. Most students in this field continue their study with graduate-level work in the discipline.

### Admission Policies

Students desiring to major in music must be admitted to the Division of Music in addition to gaining admission to the University. All prospective music majors must audition in their principal performance area(s) and take a music theory placement examination.

Appointments for auditions and placement examinations must be made in advance by writing to the Dean, School of Performing Arts, Samford University, Birmingham, AL 35229. Those applicants who participate in the annual music scholarship auditions will fulfill these requirements at that time. Students will be notified by mail of the results of the auditions and will be admitted for registration as music majors only if they have acceptance notices sent by the Dean of the School of Performing Arts.

Transfer students desiring to major in music must audition in the principal performance area(s) and take a placement examination in music theory to determine both acceptance and transfer of credit. Transfer of credit for other music courses is determined by either placement examinations or review of the student's previous work in an equivalent course.

Non-music majors desiring instruction in applied music may register for private or group instruction only with the permission of the Dean.

### Certification/Proficiencies

**Recital Attendance.** All music majors and minors are required to attend student, guest artist, and faculty recitals each semester in residence. Weekly attendance at Music Activity Hour is also required. Music majors must complete seven semesters of MUSC 099 (Music Activity Hour). Musical theatre majors must substitute two semesters of THEA 201 (Theatre Production) for two semesters of MUSC 099. Music minors must complete four semesters of the same course. (*See the Division of Music Handbook for details.*)

**Performance.** One of the most important aspects of a music major's educational experience is the area of performance. The requirements for number of credits in performance appear in the curricular tables for the various degrees in music. Listed below are the minimum recital requirements:

- a. Bachelor of Music in Performance
  - 1/2 hour junior recital
  - 1 hour senior recital
- b. Bachelor of Music in Church Music
  - 1/2 hour recital
- c. Bachelor of Music in Music Education
  - 1/2 hour recital

- d. Bachelor of Music in Musical Theatre  
1/2 hour recital
- e. Bachelor of Music in Theory/Composition  
1/2 hour composition recital  
1/2 hour performance recital
- f. Bachelor of Arts in Music  
1/2 hour recital
- g. Bachelor of Science in Music  
1/2 hour recital

**Piano Proficiency.** All non-keyboard majors must pass a piano proficiency examination before graduating. Such students must enroll for piano study each semester until the piano proficiency examination has been passed. Music education majors must complete all piano proficiency requirements before enrolling for student teaching. All other degree candidates must complete piano proficiency requirements before auditioning for a senior recital.

**Student Accompanying.** All keyboard principals are required to complete a minimum of two semesters of supervised accompanying. One credit will be given in ensemble for each semester of accompanying completed.

**Grade Restrictions.** No grade below C- in music courses required for a Bachelor of Music degree will count toward fulfillment of degree requirements. For students pursuing a Bachelor of Arts or Bachelor of Science degree with a major in music, no grade below C- in MUSC 101-102, MUSC 101L-102L, MUSC 201-202, or MUSC 201L-202L will count toward fulfillment of music major requirements.

**Ensembles**

Students with an undergraduate major in music must register for at least one major ensemble each semester in residence. At Samford University the following groups are defined as major ensembles: University Chorale, A Cappella Choir, OperaWorks, Band, and Orchestra.

The following guidelines apply to participation by music majors:

1. Music education students should participate in ensembles in the area in which they plan to student-teach.
2. Vocal/choral music education and church music majors may substitute two credits in OperaWorks or Musical Theatre Ensemble for two credits in a major choral ensemble.
3. Vocal performance majors must take a minimum of two semesters of OperaWorks and four semesters of a choral ensemble (either A Cappella Choir or University Chorale). The other two credits may be chosen from any of these ensembles.
4. Organ performance majors, piano performance majors, and music education and church music majors with keyboard emphasis must fulfill two of the eight credits of ensemble requirements by taking MUSC 167 (Accompanying) for two semesters. Organ performance majors and piano performance majors may fulfill two additional credits of ensemble requirements by taking two additional credits of MUSC 167.
5. Students with keyboard emphasis pursuing the B.M. degree with a major in theory/composition, the B.A. degree with a major in music, or the B.S. degree with a major in music may fulfill two of the eight credits of ensemble requirements by taking MUSC 167 (Accompanying) for two semesters.
6. Church music majors with instrumental performance emphasis must take at least two semesters of choral ensemble (either A Cappella Choir or University Chorale).
7. Musical theatre majors must take a minimum of two semesters of Musical Theatre Ensemble and four semesters of a choral ensemble (either A Cappella Choir or University Chorale). The other two credits may be chosen from the two choral ensembles, OperaWorks, or the Musical Theatre Ensemble.

The degree program includes studies in performance and research, in addition to academic and professional coursework in church music and supervised experience in ministry. The degree concludes with a recital and an oral comprehensive examination.

The Master of Divinity with emphasis in Church Music, offered through collaboration between the School of Performing Arts and the Beeson School of Divinity, is designed for persons who desire a stronger foundation in biblical, historical, theological, and ministry studies as preparation for ministry through music. Theatre

The Department of Theatre in the School of Performing Arts offers degrees in theatre and musical theatre that lead to a bachelor of arts. Much of the training is accomplished by practical experience that also provides cultural and intellectual stimuli to campus and community life. These activities include main-stage theatre productions, experimental plays, workshops, visiting artists, and sponsorship of many theatre productions. Students seeking admission to either the B.A. in theatre or B.A. in musical theatre degree programs should contact the theatre department to arrange for an audition and interview.

Theatre students are required to complete oral examinations each spring semester covering the prescribed reading list. Students will also display a current portfolio at the end of the spring semester and upon approval will be advanced to the next level courses.
